Embassy of the Republic of Namibia
Washington DC, U.S.A.

The Embassy of the United States of America in Windhoek presents its compliments to the Embassy of the Republic of Namibia in Washington, D.C. and has the honor to inform the latter that 138 persons from NASA and US research institutions, who are supporting the ObseRvations of Aerosols above CLouds and their intEractionS, (ORACLES) airborne science project will visit Namibia during August and September, 2016.

The project is an effort by the National Aeronautics and Space Administration to study cloud-aerosol interactions over the southeast Atlantic Ocean using instrumented aircraft, and received approval to operate at Walvis Bay from MIRCO in December 2015. The aircraft will operate during the months of August and September, 2016, and individual arrival and departure dates will vary.

Thanking you in anticipation for your cooperation.

Sincerely

Anne Dudte Johnson
