The EXPORTS Newsletter is meant to keep people up to date on the many EXPORTS threads as we prepare for our NE Pacific Cruise. Hope is that this will replace some of the 1e6's of emails we're sending. Topics will vary over time as needs arise and diminish. Let Dave / Ivona know if you have a topic that you want to share with the group. The Project Office aims to distribute a newsletter every other Friday afternoon and we will post it as a pdf on the shared folder (<a href="https://drive.google.com/drive/folders/173Flkzzfr7766-">https://drive.google.com/drive/folders/173Flkzzfr7766-</a>
