

# Charges to the Synthesis WGs

- Push our NE Pacific data forward towards pubs
  - Work with other groups & with our data managers
  - Get data into SeaBASS!!
- Move forward the Synthesis Working Groups
  - Where are we, what's next?
  - Identify capstone papers we can push forward
- North Atlantic cruise planning
  - What can we do better?
  - Expected differences from NE Pacific & planning
  - Partnership with WHOI's OTZ project & a third ship...
