

New GRACE/GRACE-FO data for oceanography

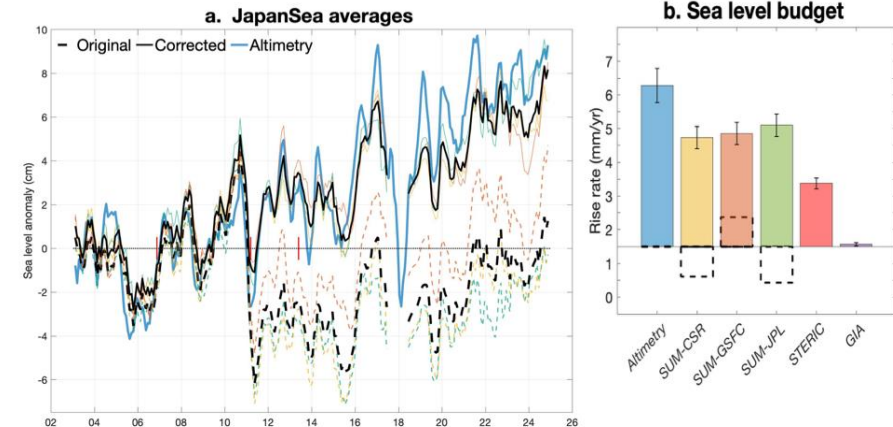

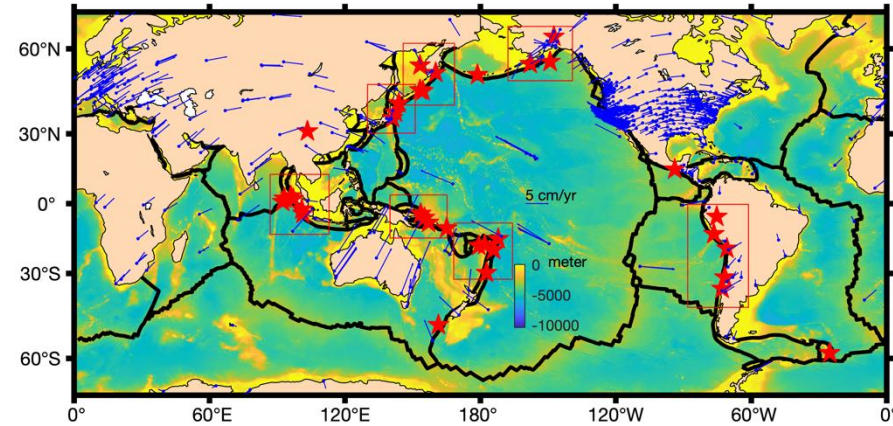

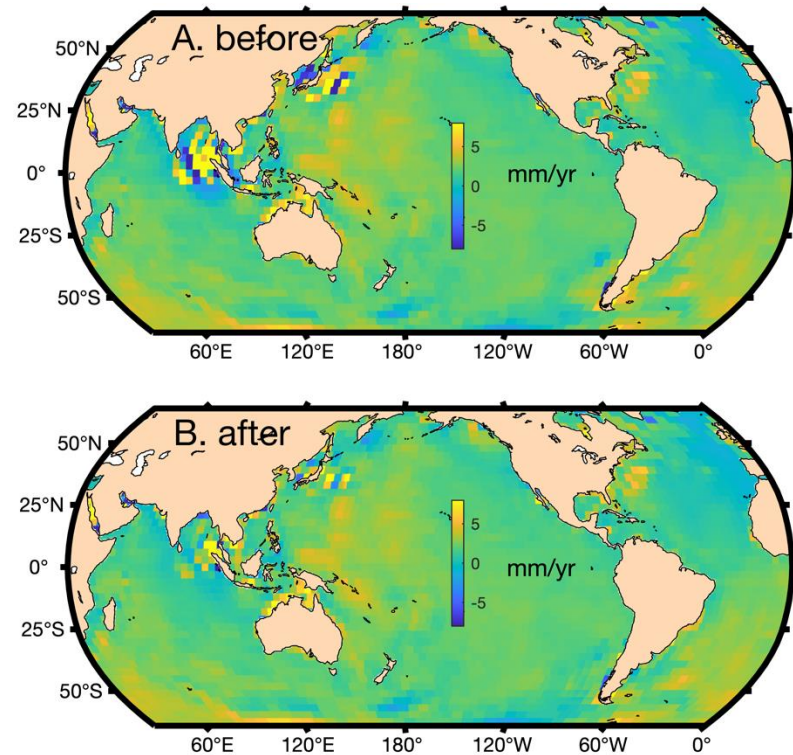

Figure: Trend map (2002-2055) of ocean mass from GRACE/GRACE-FO: (A) before (B) after seismic correction.

Song, Landerer, Hamlington, Cha & Moon:

Seismic effects of large earthquakes on sea-level budget closures. *JGR-Ocean*,

<https://doi.org/10.1029/2018GL080651>

Useful:

1. For oceanographic applications, e.g., sea-level
2. For modeling and data assimilation
