2. These individuals will visit Osan Air Base. Once the visit is complete, they will depart the installation immediately. While on the installation, these individuals will obey all current Health Protection Condition (HPCON) measures as directed by the Osan Air Base Installation Commander. Failure to obey HPCON measures will result in immediate termination of this authorization, removal from the installation and possible, permanent debarment as described in the Osan Air Base Public Health Emergency Declaration.

3. If approved, Andrian Liem, NASA Earth Science Project Office, +1-415-746-0555 will be present at the installation access control point to facilitate identification and access of the visitors. He has reviewed USFK Regulation 190-7, Chapter 2-12, and OABI 31-113, Chapter 5; will adhere to the requirements set forth in the regulation.

4. If there any questions, please contact Nathaniel G. Surratt, DSN: 784-6957, email: nathaniel.surratt.2@us.af.mil
